

Join Social Enterprise Greenhouse

Social Enterprise Greenhouse creates positive social and economic impacts by supporting social entrepreneurs and enterprises with the tools and networks they need to thrive. We are a network of business and community leaders that grow life changing businesses by investing time, expertise, and money to create jobs and support positive social change.

Who is an SEG Partner?

SEG Partners are business and community leaders who invest their time, talent, and resources to actively build the social enterprise ecosystem in Rhode Island and beyond. Partners:

- Contribute **strategic leadership** to SEG and guide our programming
- Provide **expertise and networks** to our portfolio ventures
- Financially **invest** in scaling SEG programs

Partner Impact

Partners play a key role in SEG's success. We have built a community of 700+ stakeholders, provided technical assistance to more than 150 social enterprises, accelerated 50 new ventures, and provided more than \$270,000 in leveraged investment, resulting in the creation of 750+ jobs and more than a quarter million lives improved.

- **Lead:** Grow programs that serve our portfolio of 150+ social ventures
- **Educate:** Inform others about social enterprise and the economic value it creates
- **Connect:** Link our portfolio of 150+ social enterprises to opportunities and relationships that will help them grow
- **Mentor:** Provide coaching and business expertise to our growing network
- **Grow the Network:** Invite other interested leaders to expand SEG's impact
- **Invest:** Leverage your philanthropic dollars by investing in sustainable social change

Why Join?

- **Build your Network:** SEG Partners include some of Rhode Island's top business, policy and community leaders
- **Leverage your Social Investment:** Each dollar that is contributed to SEG is leveraged by more than 3,500 pro bono professional service hours annually
- **Grow your Knowledge:** Learn about social enterprise as an economic driver in Rhode Island from leading practitioners and academics
- **Lead Systemic Change:** Beyond fostering stronger, more sustainable organizations, SEG is building an ecosystem for job creation and positive social change
