

Farm and Gardening Assistant Internship with the Gilded Tomato Company – Spring 2018

About:

We are a farm-to-table wood-fired artisan mobile catering company. We have an active farm in Rehoboth, MA where we grow much of what we need; vegetables, herbs, berries/fruit tree orchard, honey bees and chickens. Our staff has the opportunity to be involved in the gardens and create food “inventions” for our clientele, but also their own experience and pleasure. We cook on site at various catering events and share in the knowledge and joy of wood-fired cooking. We are expanding our venture to include product creation, which would diversify our business, provide year-round revenues and longer-term employment opportunities. – <https://gildedtomato.com/>
